Public Comments on Items on the Agenda

If you wish to speak on an item under discussion by the Board of Directors which appears on this Agenda, you may do so upon receiving recognition from the President of the Board. Please state your name and address and whether you are speaking as an individual, or are speaking for an organization, in which case, please state the name of the organization.

Public Comments on Items Not Appearing on the Agenda

Any citizen desiring to speak on a matter not appearing on this Agenda may do so under Public Comments at such time the President of the Board will request remarks from the audience. Those comments, by State Law, are limited to items of interest to the public that are within the subject jurisdiction of the Board of Directors. You should be aware that the law prohibits the Board from discussing or taking action at this meeting on items not on the Agenda except for very limited situations. Those situations are:

1. If an emergency exists. This generally requires the existence of work stoppage or a crippling disaster, which impairs the public health or safety. This requires the affirmative vote of 3 members of the Board; or
2. The Board finds that the need to take action arose after the Agenda was posted. If 5 Board Members are present, this action will require a 2/3 Vote or 4 votes. If only 3 or 4 Board Members are present, this action will require a unanimous vote of all Board Members present; or
3. This matter had been placed on Agenda and posted previously at prior meeting within the last 5 days and was continued until this meeting.

In order to provide an opportunity for all members of the public who wish to address the Board, a time allocation of 5 minutes for each individual speaker and 30 minutes total time for public testimony on a particular item has been established by the Board of Directors.
