**Citizens of the Hayward Area Recreation and Park District:**

The following pages reflect the Hayward Area Recreation and Park District's Fiscal Year 2010/2011 Budget. Legal requirements call for the District to publish its Fiscal Year 2010/2011 Budget on or before August 10, 2010. In order to meet this deadline, this budget has, of necessity, been based upon assumptions, which undoubtedly may have to be adjusted when the final interpretations of the State budget become available.

The State of California's permanent annual shift of property tax revenue from the District to finance public schools continues to severely restrict both the District's day-to-day maintenance and operations, particularly our Capital Outlay Program. With the passage of Measure Q in June 1997, the District will continue to receive an additional \$3.38 million in property tax revenue to partially offset the property tax transfer losses.

The Fiscal Year 2010/2011 Operating Budget of \$24,383,637 represents a 3.49% increase of the 2009/2010 Actual. The Capital Outlay Budget is \$3,547,587, an increase of 10.69% of the Fiscal Year 2009/2010 Actual.

Revenue to support these planned expenditures is expected to be generated from (1) Property Taxes of \$12,600,000 (2) Special Assessment Tax of \$3,380,000 (3) Fees and Admissions of \$6,872,500 (3) Grants, In-Lieu Fees and Other Capital Project Funding of \$2,798,000 (4) Interest of \$125,400 (5) Contractual Rent/Leases of \$125,800 (6) Other Park Operations of \$341,200 (7) Prior Year Contingency Funds of \$6,087,273 and (8) Other Miscellaneous Income of \$33,800.

The District will make every effort to obtain the maximum possible funding when the State Budget is finalized. Also, as has been the case in past years, we will continue seeking additional funds from all possible sources. Any additional funds will be used to improve or expand existing facilities, acquire additional park sites and offer additional recreation programs.

This budget has been adopted by Board of Directors with the provision that changes, which result from subsequent actions of the California State Legislature, may be incorporated at a later date.

1. The Capital Outlay Budget finances capital projects for the District. Such projects are usually confined to the acquisition, development or improvement of land or buildings. Projects funded under this budget must meet certain criteria; definitions of which have been generally defined for state and local governments by the National Committee on Governmental Accounting. These definitions, together with recommended fiscal procedures are set forth in a printed publication which is periodically revised and is used as a guide by independent auditing firms for auditing local government agencies.
2. The FY 2009/10 Actual and Encumbrances reflect a decrease of \$828,098, mainly due to some projects were not being budgeted until monies from grants and other sources are received.

The ongoing obligations are the note payments for the Mission Hills of Hayward Golf Course and the Mission Hills of Hayward Driving Range, and the capital lease payments for the Golf vehicles with Textron and District wide vehicles with Enterprise. Other projects include:

- Shoreline Property Mitigation SFO
- Caltran BCDC Shoreline Property Bridge Retrofit
- Meek Estate West Terrace
- Greenbelt Trails-Ward Creek Trail, Memorial Park
- Castro Valley Creek Park
- Holland Park Land Cleanup
- Jack Holland Sr. Park Development
- Edendale Park Improvement
- FEMA-Levee Repair
- FEMA-Tidal Gate
- Ashland Community Center ADA Restroom and Kitchen Upgrade
- Weekes Community Center ADA Upgrade
- Castro Valley Community Center Parking Lot
- Eden Greenway Phase IV Kaboom
- Via Toledo Property Land Acquisition
- Via Toledo Property Land Cleanup
- Skywest Cart Barn Electrical Upgrade
- Sulphur Creek Nature Center Owl Camera

Completed projects included:

- Adobe Center Park Renovation
- Shoreline Nature Center Tank Chiller Upgrade
- Greenbelt Trails-East Avenue Trail
- Castro Valley Community Park Water Recycling System
- Mission Hills of Hayward Golf Course Cart Path
- Skywest Golf Course Pavilion Doors
- Douglas Morrisson Theater Sound System
- A.E. Oliver Sports Park Maintenance Building Power Upgrade

3. The FY 2010/11 Adopted Budget is expected to be \$ 3,547,578 reflecting an increase of \$342,475. Of the budgeted capital outlay expenditures, we expected \$ 749,578 to be funded by the District's money and \$ 2,798,000 to be funded by grants, in-lieu fees, etc. from others. In most cases, the District has to pay the full amount of capital outlay expenditures months before the projected funding from schools and other government agencies are received.

Payments for Mission Hills of Hayward Golf Course loan, Mission Hills of Hayward Driving Range loan, Textron Golf vehicle capital leases and Enterprise District vehicle capital leases are listed among other funded projects in the following pages. Due to the uncertainty of grant funds available, some projects funded by other agencies and other sources are not included in the budget until funding is received.
