

Please donate to help fund the  
**JANICE AND  
 FRANK DELFINO  
 WETLAND HABITAT ROOM**

Our design plan is complete! We are proud to present these designs, and are one step closer to being able to complete our updated and improved **Habitat Room** at the Interpretive Center.

But this project needs your help to reach completion! Your donation will go towards funding elements of the room design that won't be covered by the recent bond measure benefiting HARD parks and facilities. With your help, our facility will be the biggest aquarium in the East Bay!

Our new and improved **Habitat Room** will include:

- All new interactive, accessible, and inviting interpretive display, and updated interpretive signage.
- Three new exhibits: Plankton Rain, Mysteries in Mud, Ebb & Flow in the Marsh.
- State of the art aquaria and terraria tanks, including a 900 gallon shark enclosure.
- Life support systems and holding tanks to support a diverse range of live display animals.
- Updates to our beloved Children's Discovery Corner.

All new custom-made Bay tank identification signs like this one!

In collaboration with  
 The Acorn Group and  
 Tenji Aquarium Builders.

Thank you for your support!

All or part of your gift may be tax deductible as a charitable contribution. Please check with your tax advisor.
