Hayward Area Recreation and Park District FOR IMMEDIATE RELEASE

March 13, 2020

Dear H.A.R.D. community members,

The Hayward Area Recreation and Park District shares your concern over the spread of respiratory diseases, including Coronavirus Disease (COVID-19), during this time.

On March 10, 2020, the Alameda County Health Care Services Agency provided specific recommendations and guidance related to large gatherings. As a result, the District has decided to cancel H.A.R.D. sponsored events with 100 people or more that are scheduled to occur through **March 31, 2020**. This is a recommended precautionary measure to prevent the spread of illnesses including COVID-19. The District will continue to monitor the situation closely and will continue to work with our partner agencies such as cities, Alameda County and the school districts we serve.

If customers contact H.A.R.D. and wish to withdraw from a class or cancel a rental that takes place during this time, the District will provide refunds. If you have any questions specifically about the cancellation or refund process, please contact our Customer Service Department at (510) 881-6700 or Info@HaywardRec.org.

Additionally, all District facilities and staff have been provided and are following recommended illness prevention guidelines to keep themselves healthy in order to best serve our guests and prevent spreading airborne illnesses.

The very core of our mission is to provide health and wellness opportunities to the residents we serve. We value your health and ability to go out and play, so take care of yourselves and family during this flu season. We will continue to update you as we receive any further notification.

Thank you,

Paul McCreary
General Manager
Hayward Area Recreation and Park District
